amare

SAMPLE

Welcome to *Amare*

What happens each month, and where to find it in the owner portal.

Your portal

OVERVIEW	Occupancy this month, the next arrival, and your net payouts by month.
HOMES	Each unit's booking calendar, upcoming guests and past stays.
STATEMENTS	The monthly income report for each unit: bookings, bills, expenses and the net payable. Print or save any statement as a PDF.
DOCUMENTS	Your management agreements, inventory reports and permits.
REQUESTS	Block dates for your own stay, or send us a question.

Each month

We close the month, match every booking and bill against our accounts, and publish one statement per unit. We then pay the net amount to your bank account. Bookings are reported in the month the guest checks in.

Reaching us

Use Requests in the portal. Every message goes straight to the owner team.

Sample document for the Amare owner portal demo. Not a real agreement or record.
